Leica CLM – License Manager and EID Activation Quick Guide

(Version 2.13.0, 6.01.23)

This quick guide goes over installing CLM and activating an Entitlement ID on the License Server.

Overview of Instructions

- 1. CLM 2.13.0 Installation Steps
- 2. Activate Entitlement ID
- 3. Activate Entitlement ID Offline

1. CLM 2.13.0 Installation Steps

• Download the CLM installer from myWorld, <u>https://myworld-portal.leica-geosystems.com/s/products-and-services</u> or the link below.

CLM 2.13.0 Installer and License Guide:

https://lgshds.sharefile.com/d-s95a0233e6a8d4e6ea2b44f3881659106

Right-click on the Installer on your Server and select "run as administrator"

	Mana	je 💼				
View	Application	, V	Run as administrator			
VIC.W	Application		Troubleshoot compatibility			
Cut			Pin to Start	· Select all		
Copy path				Balect none

🙎 Lei	ca_ClientLice	n 📔	Edit with Notepad++	Foxit PDF Reader	189 KB	

- The CLM Setup Wizard will launch
- Select "Next" to continue

- Read and click "I accept the terms in the license agreement"
- Click "Next"

 Select "Next" to install CLM in the destination folder *

Note: *The Destination Folder can be changed to another folder on the Servers hard drive

CLM will now proceed with installation

- Installation is complete
- Select "Finish"

2. Activate Entitlement ID

 Open the CLM - License Manager from your start menu

- when it has to be **right**

3. Activate Entitlement ID Offline

If the Server does not have an Internet Connection, please follow the Offline Activation process below

 Log onto your myWorld account <u>https://myworld-portal.leica-</u> <u>geosystems.com/s/products-and-</u> <u>services</u>

• Select Register your products

 Select the EIDs product in your product list*

Note: *If your Entitlement ID is not listed under your product page, select "add" at the bottom on the page and add the EID as a Software Product

П

- when it has to be **right**

• Select "Offline Activation"

- Select "Download"
- Save the Start file ".clmstart" to a folder on the Server*

		. 8
	Offline Activation/Return	1
al	If you want to activate or return this product offline you have to download the Start file here:	18
Product Cyclon	Download Start file	
My Reference	00107-35978-00032-04207-I clmstart	
Entitlement ID 00107-	359 Download	
are		
ure	If you have a Request file you can upload it here in order to get a Response file:	
al	Upload Request file and download Response file	
	Choose File No file chosen	
te Not applicable	Download	
t. End Not applicable	Cancel	

- Open the CLM and select "Add"
- Then select "Do you want to activate a license offline"

Note: *The Start file can be saved to a folder on the computer with Internet Access and then moved to a directory on the Server for offline activation

• Select "Next"

 Drag & Drop or browse to the ".clmstart" file

• Then select "Next"

• The Request file ".clmreq" has been created

 Upload the Request file to myWorld

 Then select "Download" and Save the CLM Response file ".clmresp" in the same directory as the Start and Request file

• In the CLM select "Next"

 Drag & Drop or browse to the Response file

• Then select "Add"

After activating the Entitlement ID the license is listed under the Licenses Tab

CTW			- 🗆 ×
Licenses Settings Help About			
Licenses Usage Q license, product, feature, status, type		+ вс	prrow + Add
License	Status	Туре	
> 00107-35978-00032-04207-	Valid	Floating	
> 99999-99999-AF0A5-AC6B3-	Expired 📎	Floating	6
> 00110-02473-00036-65244-9****	Valid	Floating	6

Note: If multiple Entitlement IDs need to be activated offline all the start files can be processed on MyWorld at once. Then generate the request files one by one in CLM. Then generate all the response files on myWorld and add all the response files individually in CLM.
